Reason Why You Take You: Umbrella to the Below to Have It Repaired. ified Advertising Manager, The Washington Times.

On a recent rainy day I discovered that in overal umbrellas were not in condition to I bundled them together and went directly to M. H. Philpitt's, 502 E street northwist (whose advertisement I had read in The Sunday Times), and that afternoon I carried home three perfectly good umbrellas.

They were put in condition promptly, properly, and reasonably, and I recommend any one with a sick umbrella to take it to Dr. Philpitt and have it made well.

Very truly yours.
